

# 2010 CCAA Annual Meeting

By Edward Wan

The 2010 CCAA Annual Meeting held on December 18, 2010 at the Thomas Farm Community Center was a huge success enjoyed by all participants. Everyone seemed to share the high spirit and comradeship among old friends and new acquaintances. Many of us came away with great feeling that CCAA will be in good hands for next year.

Despite several schedule conflicts, a total of 47 people made to the Annual Meeting and patiently sat through the entire four-hour program (see group photo which was taken after the meeting) Thanks to Kan Chang for his outstanding planning efforts including establishing the telephone calling trees and to Chin-ho Lien for continuously updating information of the Membership Directory. Edward Wan expressed his gratitude of having the opportunity to complete 2 year term as the President of CCAA.
